

# Software Development Bootcamp

## Software Development Bootcamp Extended Program

Congratulations and Welcome!

This program will prepare you to transition from the classroom to the software development community through a skill-building and developmental approach that emphasizes application-based, incremental learning. You will complete the program with a comprehensive knowledge base for work as a software development professional within both legal and ethical parameters.

**Please be sure to read this welcome letter thoroughly as it contains very important information essential to your success within this program.**

We take pride in ensuring you have an excellent learning experience and it is our goal to provide you with industry-leading instructors, real-world curriculum and effective methodology. We want your time investment to be as positive and enjoyable as possible, and will strive to provide you with unparalleled support as you embark on this journey towards your career in the software development industry.

I am your Student Success Manager and will be your main point of contact throughout the program. Please do not hesitate to reach out directly using the information below:

**Lyndon Yearick**

Student Success Manager

973-447-1198

What to expect from your Student Success Manager for the duration of the Extended Program:

- Support and guidance throughout the Extended Program
- Communication through a variety of channels including, but not limited to: Canvas announcements, email, text, phone, and Zoom. Should you wish to have regular

# Software Development Bootcamp

check-ins apart from this standard cadence of communication, please reach out to me and I am happy to accommodate!

## Extended Program Schedule

<b>Start Date:</b> Tuesday, 5/24/22	<b>End Date:</b> Thursday, 1/19/23	
Tuesdays	6:00pm - 9:30pm	
Thursdays	6:00pm - 9:30pm	
Sundays	9:30am - 2:30pm	
<b>**A full course schedule can always be found in Canvas in the course shell**</b>		

### **First Day Check-In (mandatory orientation)**

Please try to log on 30-35 minutes early for your first day of class. Make sure your video is on and your first and last names are displayed. Having your full name will help instructors locate you for attendance purposes. Always keep yourself on mute if you are not speaking.

## Course Materials and Equipment

All hardware and software requirements from the Introductory Course apply to the Extended Program. Remember, a strong internet connection is required to be successful in the program and for access to resources outside of class.

You will continue to receive all course content and materials through Canvas. Your login will remain the same as from the Introductory Course. Please make sure to log into your Canvas account at least 48 hours before your first day of class to ensure you have access to the course and do not have any technical difficulties to resolve.

## Attendance and Grade Requirements

# Software Development Bootcamp

## Attendance

It is crucial that you attend all classes during the Extended Program. If you are unable to attend a class for any reason, please let your instructor or myself know right away.

## Passing Requirements

1. 70% or higher on all final exams and/or projects
2. A minimum of 80% attendance and participation in each course throughout the duration of the program

## Payments and Policies

The total tuition for this Extended Program is \$16,000. For those interested, we provide an interest-free payment plan that allows you to spread payment of your education expenses over several months. A deposit of at least \$3,875 must be submitted at least one business day prior to the start of the program. Subsequent monthly installments of \$1,455 with a final installment of \$1,440, per the registered cohort schedule (+2.5% credit card fee).

If preferred, you may submit advanced payment for some or all of the course tuition prior to the due dates outlined in the registered cohort schedule.

Please note that each payment must be received in full by or before the due date. If a payment has not been received by a due date, you may not continue on to the next lesson group until submitting payment for the outstanding balance. No participant shall be permitted to complete the NC State Software Development Bootcamp until payment of \$16,000 has been received in full. All payments received after the due date will be assessed a \$30 late fee.

Payments accepted for the Extended Program of the NC State Software Development are in the form of check, wire transfer or credit card. Credit card or wire transfer payment is strongly encouraged.

If paying by check: Please make the check payable to: "HackerUSA, Inc. NC State software development Bootcamp"

Send checks to:

BBVA

## Software Development Bootcamp

2814 SW 34th St.  
Gainesville, FL 32608

If paying via a wire transfer please remit payment to: Account Title: "HackerUSA, Inc. NC State Programs"

Bank: BBVA  
Account Number: 6791178752  
Wire Routing Number: 062001186  
SWIFT: CPASUS44

Financial institutions often charge fees for wire transfers, ranging anywhere from \$10 to \$35. When paying by wire transfer, please include any transfer fees in addition to the invoice total. Otherwise the fee is taken from the invoice total, leaving the invoice paid short.

Due to the inherent costs of establishing, holding, and refilling participant slots, as well as the associated costs of course materials, the following cancellation policy has been established. Please note that no refunds are permitted once the Extended Program has started. All cancellation notices must be received by the admissions or student success team via email at least three business days prior to the start of the Extended Program. In the event of illness, injury, or family emergency, exceptions to this policy may be made, and we ask that you please contact me by email or phone.

If you cancel your registration at least three full business days before the program begins, you may be eligible for a full refund. If you cancel fewer than three full business days before the program begins, or do not attend, you are responsible for the entire Extended Program tuition.

The university reserves the right to increase tuition and fees. The university reserves the right to cancel or reschedule any program with insufficient enrollment or for reasons beyond its control. In any such cases, a full refund of fees and deposits will be made. Please note that before a refund check can be issued or credit posted to your charge account, verification of your payment, confirmation of the pertaining records, and administrative review and approval must be completed. Please allow a minimum of 45 days after the refund request for processing to be completed.

### **Request for Transfer**

# Software Development Bootcamp

If you submit a request to cease participation during the Extended Program and the request is approved, you may be eligible for a transfer of credit to another program beginning at a later date. Transfer is contingent upon available space. All credits must be applied to an alternate program within six months from the date of the notification; credit will be proportional to the unused tuition paid for the original course.

## **Expulsion**

The university reserves the right to expel students, without refund, due to improper or unacceptable behavior.

## **Professional Certificate and Digital Badges**

To earn a completion certificate and associated digital badges, you are required to adhere to the policies and procedures, and satisfy the academic and attendance requirements set forth in the Student and Ethical Code of Conduct. You will only obtain the completion certificate and digital badges upon successful completion of the Extended Program.

## **We Are Here to Help**

### **During COVID-19**

The health and safety of our faculty and students are of utmost importance to us and we will continue to closely monitor the situation along with state and federal guidelines. We will keep you informed of any updates relating to your experience and we remain dedicated to your success.

### **Getting Started with Disability Accommodations**

Please reach out to myself if you have any questions or concerns using the information below.
